

1. Recommended that format for the quarterfinal round (previously called “Sectionals” when eight teams came to state) **continue** to utilize a “best two-out-of-three” game format.
2. Recommended to alter the Scholar Bowl game format for District and State Tournament play, as listed in the Scholar Bowl Manual, to a 22 Toss-ups/22 Bonus (pyramidal question) format, with an altered subject distribution, and that the Board approve a contract extension with NAQT for games in this format for an additional five-years (2021-22 through 2025-26) at a half-price rate as compared to the former game format and contract.
