

**Student Advisory Committee – Meeting Summary**  
**Held on Saturday, December 7, 2024 at Faurot Field, Columbia, MO**

1 – Recommend to narrow the development focus of the MSHSAA sportsmanship program to focus on member schools with movement towards individual student recognition and under the leadership of future Student Advisory Committees.

\*\* 2 – Recommend the development of a publicly accessible, data-driven leader board to display sportsmanship achievements on the main MSHSAA website and the “My School Page”.

3 – Recommend that MSHSAA expand the school to school report to add the ability to submit student-driven positive and complimentary statements.

\*\*\* 4 – (amended verbiage is underlined) Recommend that the officials advisory committee review, study, and potentially recommend the development of a quick numerical-based survey that officials must complete at the end of all contests where they rate the general sportsmanship and overall attitude and behavior of the players, coaches and the fans/spectators of each team.
