DISTRICT SPEECH CONTEST RANKING FORM

All contestants in the individual events at the district speech tournament will participate in two preliminary rounds. They will be scheduled into sections by random draw. The performers with the lowest rankings, as specified in the qualifying formula, at the completion of the two preliminary rounds will be advanced to a final round of competition.

Please rank **all** the performers in each section for each round on the form below. These should be numbered with the best performance as number "1" through the number of participants in your section and the contestant with the least impressive performance ranked last. **NOTE:** If a contestant is disqualified from the round he/she must be ranked last and a DQ should be noted next to the contestant's name.

Please indicate your rankings on this form and submit to the contest manager after completion of the round.
