- A. Each event shall have at least one judge, and each event shall have a timekeeper. If a coach refuses to judge, the coach's school team shall be disqualified.
- B. Judges in any event are to use the standard critic evaluation form for that event, as published by the MSHSAA and provided by the tournament director. A judge shall evaluate each performance independently and shall not collaborate with other judges when assigning rankings or ratings.
- C. Ratings which will appear on the standard critic form are defined as follows: Excellent--shall represent an outstanding performance. (The number of excellent ratings given shall not be limited by the number qualifying for state competition. Qualification for state competition is determined by the ranking provided the manager by the judge and not by whether or not the performance received an excellent rating.) Superior--shall represent a performance that is outstanding in many but not all respects. Good--shall represent a good performance that may be above average in some respects and below average in others, but not outstanding in any respect. Average--shall represent a performance that is poor in some respects and not above average in any respect. Below Average--shall represent a performance that is poor in most respects.

- I. Judges shall keep in mind that they are judging high school students and not college or professional groups. The judge's comments should be presented so that they provide an educational experience. Specific suggestions should be written on the individual evaluation forms to help make the ratings meaningful and in such a way that the student is encouraged to try to do better the next time.
- J. Judges shall consult evaluative criteria for the events they are to judge. A violation of the regulations for the event shall be noted to the manager.
- K. Judges of individual events at the state tournaments shall rank and rate each contestant in the two preliminary rounds. The eight performers with the lowest rankings at the end of the two preliminary rounds will qualify for a final round.
- L. A critic shall not attempt to recruit high school speech students participating in district or state events. The Board of Directors is opposed to any recruiting of high school students during the time a tournament is in progress because of the possibility that this distracting may affect the student's performance.
